"He Who Is Not Busy Being Born Is Busy Dying" — Bob Dylan

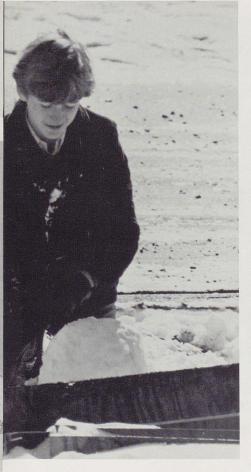

Another phase of life is being born. It opens new doors or sometimes locks them. For some it will mean a wider look at their surroundings; a more appreciative look, or maybe a negative look

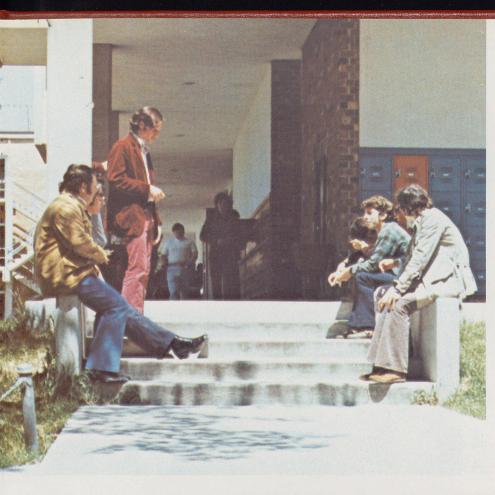

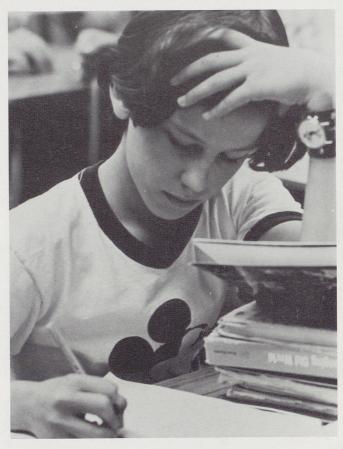

student is offered
opportunities to come out
of his shell, thus leaving
behind him old games
and discovering new
ones. Some crawl away
from their shells
bombarded with facts and
ideals of others. Others
use the past to create a
better today and
tomorrow . . .

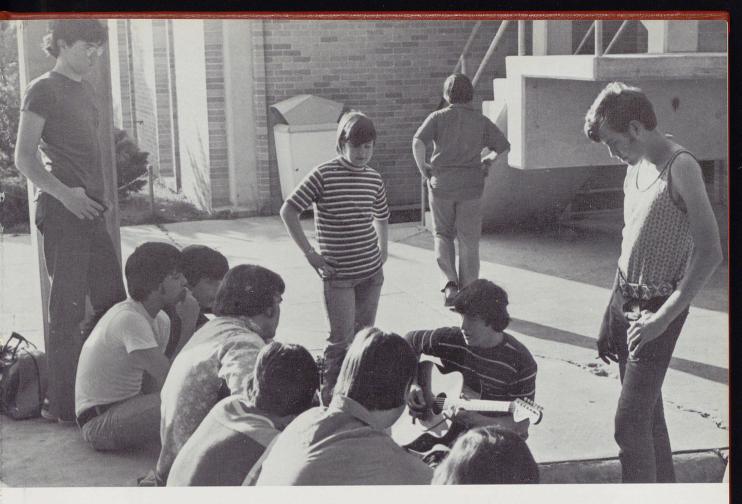

. . . A student's life is a continuous experience, a search for something more than a passing grade. It would be one in which a person asks himself questions, never quite sure of the answers; endlessly seeking the role he must play . . .

. . . But things pass joyfully, leaving one enshrouded in a mist of events that will eventually influence him. There is no room for wasting time, stagnation.

ACADEMICS

New English Course Offered at Stanislaus

Fundamentals of English, literature, grammar and writing skills are stressed on all grade levels. Four years of High School English are required, developing skills in formal and creative writing while studying historical development of literature.

A unique course offered in the English department at Stanislaus is a new course in Creative Writing taught by Brother Alan Drain. The curriculum consists of a five minute timed writing every day. Twice a week the student writes a theme from ideas obtained from various sources such as television programs shown in class. Through this open classroom system the student is given a chance to express his own views in a creative manner.

Top: Mike McDonald, Rudy Letellier, and Ted Guidry assist in handing out pamphlets.

Bottom: Brother Alan, David Koger, Alvin Aramburo, Jim Piland, and Mike Lassere perform a skit in Creative Writing Class.

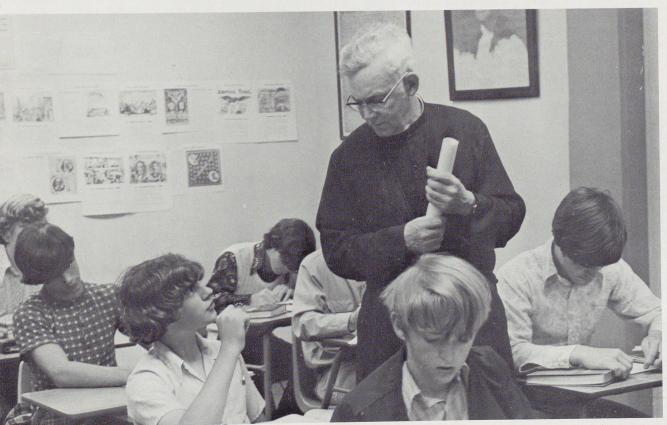

History Fosters Patriotic Pride

Why study history? One develops appreciation for our country as a whole. The classes are centered around the development within the student of a thoughtful sense of history. It encourages a pride for the ideals and cultures coming to us from the Old World and the American Colonial Period. Awareness of the ideals of our forefathers is increased. Also, realizing the mistakes made in the past, a student is better able to avoid these mistakes in present times and to contribute to the building of a better world.

Top: History students take advantage of the new audio-visual equipment.

Bottom: Brother Loyola checks the history class' homework.

Religion Program Instills Christian Values

At St. Stanislaus the aim of the Religion Program is to instill the students with Christian values and to show how these truths may be applied to everyday life.

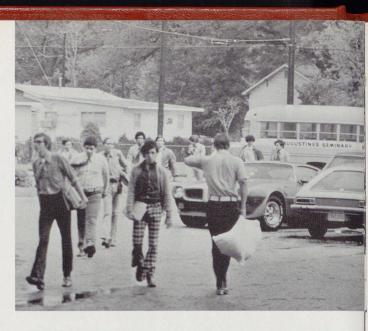

The religion curriculum offered in the freshman and sophomore years deals mainly with beliefs, values, and understanding of the teachings of Christ as they apply to his everyday life. The junior and senior years stress more on topics of Christian morality, marriage, and career planning as these will benefit them in later life.

Next year Bro. Alan is replacing Bro. Aquin as head of the Religion Department. He was also appointed to help start a new religion program this year which is open to all non-Catholic students who wish to pursue the common values and teachings of Christianity.

Top: Seminarians from St. Augustine's Seminary get off the school bus as they prepare to attend classes and activities at St. Stanislaus.

Middle: Eddie Sens and Regan Cheramie pause for silent meditation during the Eucharistic Celebration of the Mass.

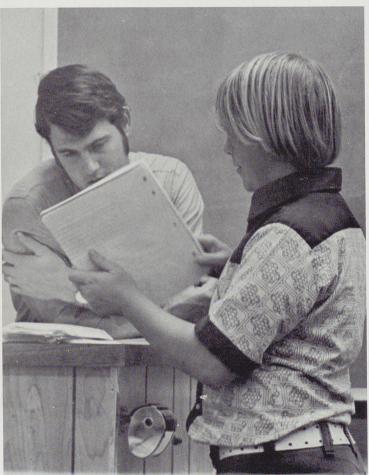

Bottom: Bro. Alan and a group of students discuss pertinent topics in the new religion course offered.

Math Offers Challenge

At Stanislaus the curriculum is designed to present the student with a challenge. In his freshman year a student will take algebra I; in his sophomore year, geometry; in his junior year, algebra II; and in his senior year the student will have a choice: trigonometry and calculus or senior math.

Brother Noel began using a new system for math this year. His classroom has quite a unique setup. The desks are grouped in fours and sometimes he plays music as a background. The group system for teaching math forces the students to help each other. The student then assumes a greater role in his education.

Top: Members of Brother Noel's math class work on a group problem.

Left: Mike Henning asks Mr. Jones' approval on his math homework.

Language Curriculum Offers Challenge

French, Spanish, and Latin are offered to interested students from the seventh to the senior year by the language department. The department is constantly building up materials so that students may become more familiar with the different languages offered. At least twice a week students are brought into the modern up-to-date language lab to listen and read the different languages.

Therefore, it is to the benefit of all students to become involved in the language curriculum which can open and broaden their understanding of the world and people around the globe.

Above right: Andy Lagarde attentively listens to a French dialogue as he follows it in the book.

Bottom: Wendell Casey, left, and Mike PHillips, right, display their third place exhibit of a ranch house of Andalucia, Spain, from the State Language Association meeting.

Reading Lab Develops Skills

Stanislaus approaches reading on both a group and individual level. Several times a week the student is directed in the Reading Lab which provides him with an opportunity to participate in small group and individualized type work. He develops such reading skills as vocabulary, comprehension, listening skills, and study skills.

All grammar school students come to Reading Lab twice a week. On two other days of the week they read books in their classroom. On Fridays whole-class instruction is provided for them by Miss Ryan.

No homework or extra assignments are given to students who come to the Lab with the exception of perhaps one book report per quarter. "Enjoyment of reading" is stressed in the Lab.

Above: Paul Price, Mike Wittman, and Robert Van Oppen look through newspapers for articles.

Below: Father Stieb instructs Henry Muller and Erwin Boulet.

Sciences Stress Experimental Approach

With the well equipped laboratories and dedicated faculty members at Stanislaus, a student's awakening to the vast and intriguing world of science is quite exciting. Consisting of earth science, chemistry, biology, physics, ecology, physical science, and marine biology, the curriculum offered is varied and challenging. Throughout the year, class and individual projects are performed by students and teachers alike. Laboratory activities put much stress on the concept of experimental work where the student is expected to learn by doing.

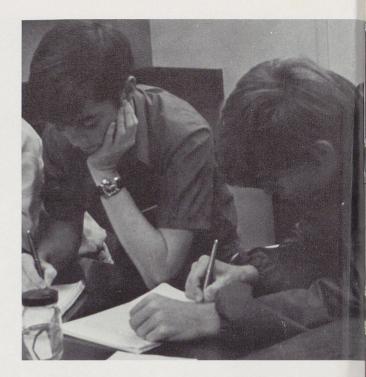

Whether it is dissecting frogs, mixing chemical solutions, taking data on environmental experiments, or measuring the rate of acceleration in the physics lab, any student who pursues the marvelous world of science at Stanislaus is taking upon himself an endeavorable challenge.

Above right: Bayne Dickinson and Jim Schott carefully take data on a specimen in biology class.

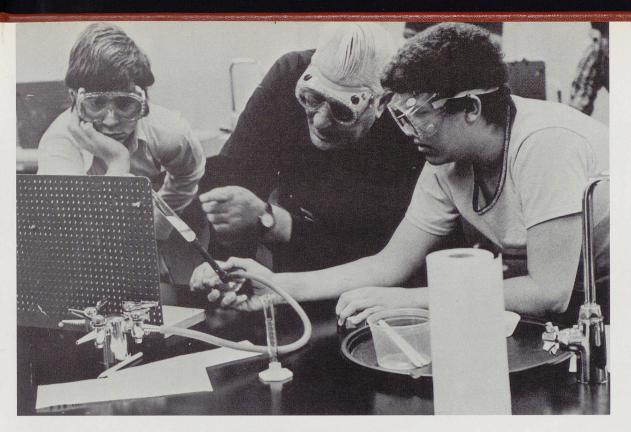

Bottom left: Interested seniors, Dale Le Blanc, Lee Hayden, Tony Eymard, and Earl Depreo inquisitively watch Mr. Thriffiley as he sets up a physics experiment.

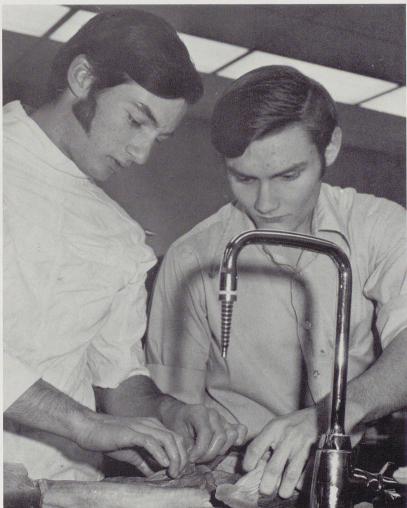

Bottom right: Tommy Adams and John Strauss measure the necessary chemicals needed during a chemistry experiment.

Above: Safety precautions are always taken by Bro. Elbert as he demonstrates the flames of a torch to Reynold Cannon and Bill Shroyer.

Bottom: New surgeons to the field, Bill Ladner and Bert Keel, carefully dissect a shark in marine biology lab.

Electives Create Student Interest

Among the many classes offered on the Stanislaus course offering sheet are business and mechanical drawing. The business class, directed by Mrs. Kersanac, concerns itself with the practices of a small business. Some of its practices are working out pay rolls and interest percentages. The mechanical drawing class, directed by Mr. Pitalo, teaches the student the basics of drafting and its use in everyday life.

Art classes, taught by Brother Hilbert, bring out the artist in a student. The art classes work on such projects as ceramics, string art, and canvas paintings.

Driver Education is also offered by Mr. Pitalo to teach the students the basic principles of the road and safety.

 $\it Top:$ Brother Hilbert shades in a drawing while members of his art class look on.

Right: Gary Corcoran touches up one of his art projects.

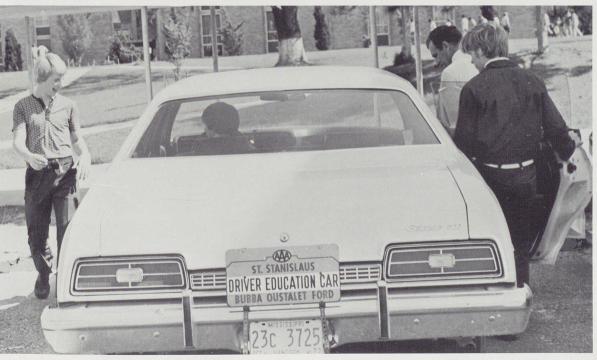

Left: Tim Romito lines up his T-square on a mark in mechanical drawing class.

 $\ensuremath{\textit{Middle:}}$ During his business class Bruce Singleton asks approval on some work.

Bottom: Mr. Pitalo instructs members of his freshman driver's education class in one of the many driver's ed. cars.

FACULTY

S.S.C. Forges on in 119 Session

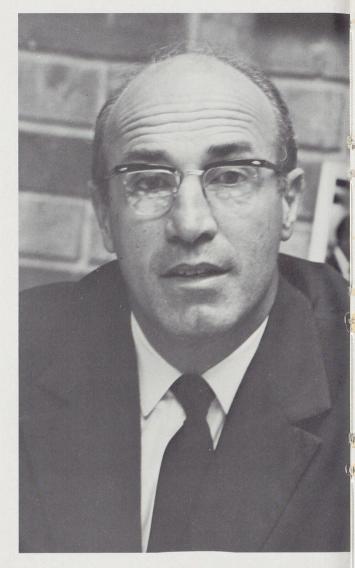

Marching into its 119th session, St. Stanislaus opened in late August with the largest enrollment in its history; filling classrooms to near capacity, but still maintaining the high quality education it is famous for.

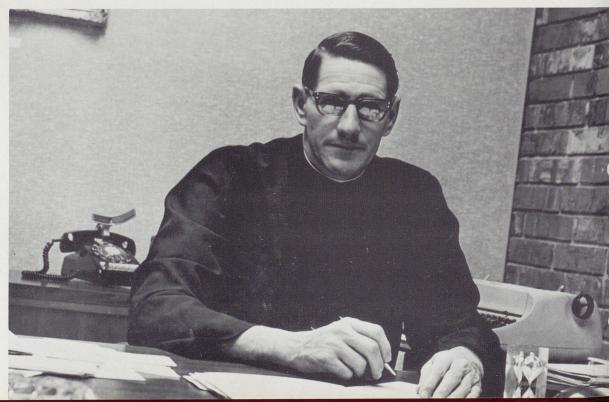

More than fifty Brothers, Priests, and Lay Teachers are setting the pace for the instruction of students in a manner unparalleled in its long history.

Scarcely more than a year into its modern educational complex, the school is forging on to the replacement of the present gymnasium with a new \$500,000 building, bringing together the music hall, swimming pool, and the gym, all under one roof. Yet, through it all, you still find the type of dedicated, unselfish teachers and faculty as in the years when the school was no more than a couple of classrooms and a handful of Brothers to run it.

Right: Brother Pierre St. Pierre has been president of St. Stanislaus for four years. He took office upon arrival from Mobile, relieving Brother Roland.

Below: Brother Lee Barker, has been principal of St. Stanislaus for seven years. He came to St. Stanislaus from St. Aloysius, and relieved Brother Flavian.

Brother Hugh, S.C. M.Ed. Fordham Univ. Religion, Counselor.

Brother Louis Joseph, S.C. B.A. and M.A. in Guidance and Administration Religion, History

Brother Aquin Gauthier, S.C. B.S. Spring Hill M.A. Notre Dame Director of Public Relations Director of Alumni Relations

Brother Athanasius, S.C. Retired

Top: Brother Joseph Dovovan, S.C. unwraps a Christmas gift from the Junior and Senior boarders.

Teachers Travel During Summer

Several members of the St. Stanislaus Faculty traveled both abroad and at home this summer, sight-seeing and expanding their education as well, which will add to the many educational opportunities offered at St. Stanislaus. Among them are: Mr. Henry, Brother Paul, Brother Malcolm, Brother Canisius and Mrs. Currie.

Mr. Henry, *top right*, spent four weeks in Paris where he took a course on Conversational French. While in Paris he visited many sights such as Versailles, Fountainbleau, Castles along the Loire, and Chartres Cathedral. He also spent two weeks touring Switzerland, Germany, Belgium, and England.

Brother Paul studied at the University of Nebraska, where he worked toward a Master's Degree in Teaching of mathematics. After the course, he visited relatives in Detroit and Miami.

Brother Malcolm, *bottom right*, attended a Summer Institute Program at Oregon State University, working towards a Master's Degree.

Brother Canisius taught a reading skills course at Marquette in Milwaukee, Wisconsin, over a six week period.

Mrs. Helen Currie visited Monterrey, Mexico. One of the many attractions toured was Horsetail Falls. She visited Central America over the Christmas Holidays.

Fr. Alvin Dixon, S.V.D. B.A. Catholic University B.A. Divine Word College

Stanislaus Adds 5 Faculty Members

For the 1972-73 school year, St. Stanislaus added five new members to its faculty. They were, Miss Ryan, Mr. Ladner, Brother Alan, Brother John Abate, and Mrs. Joseph W. Gex.

Miss Ryan, bottom middle, first came to Stanislaus to teach Reading Skills at summer camp. She received a B.S. and an M.S. at the University of Southern Mississippi, in elementary education and reading.

Mississippi, in elementary education and reading.

Mr. Ladner, bottom left, came to St. Stanislaus for the first time as a teacher last year. He received a B.S. from Pearl River College and William Carey College. He currently teaches Math. and Science.

lege. He currently teaches Math, and Science.

Brother Alan Drain, top right, S.C. first taught at St. Stanislaus from 1962-63. He left for a year and returned to teach another year from 1964-65. He taught summer camp reading. He received his B.S. from Spring Hill, and his B.A. from Notre Dame. He currently teaches English and Social Studies.

Brother John Abate, bottom right, S.C. came to St. Stanislaus from Brother

Brother John Abate, *bottom right*, S.C. came to St. Stanislaus from Brother Martin. He received his B.A. from Spring Hill. He currently teaches Spanish I, and is the prefect of the Freshman dorm.

Mrs. Joseph W. Gex, prior to work at St. Stanislaus, was the fifth grade teacher at St. Clare's, and the Librarian of Christ Episcopal. She received her B.A.E. at the University of Mississippi. She is currently the Librarian at St. Stanislaus

Right: Mrs. Phil Lagasse, Assistant Librarian; Mrs. Gex, Librarian.

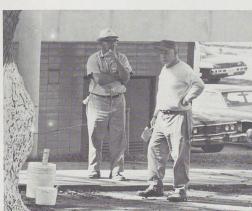

Top right: Brother Ephrem, S.C. Canteen

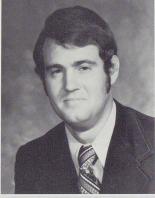

Middle left: Brother Martin, S.C. A.B. Loyola, LI.D. Loyola Treasurer

Brother Claude, S.C. Ph.B. Loyola, B.L.S. LSU.

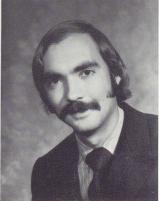

Bro. Elbert, S.C. B.S. Spring Hill, M.Ed. LSU, M.S. Loyola Science, Math

Mr. R. E. Engel B.S. Southeastern, La. Biology, Ecology, Marine Biology

Mr. Barry Jones B.S. Univ. of Richmond, Va. Math, Social Studies

Mrs. Dorothy Kersanac B.S. USM Bookkeeping, Bus. Law/ Consumer Economics, Typing

Brother Peter Kosydar, S.C. B.A. Spring Hill English, Reading, Religion

Mrs. Mary McCarthy Secretary — Alumni Relations

Faculty Joins Student Activity

Bottom right (I to r): Brother Albert Ledet, S.C. B.S. Loyola, English, Religion, Brother Pascal, S.C. Rutgers, Aquinas Institute, Brother Raymond Sylve, S.C., B.S. Spring Hill, Prefect.

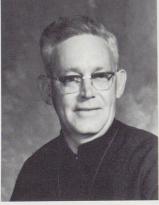

Brother Melvin Estrade, S.C. B.A. Spring Hill English, Religion

Brother Loyola Mattingly, S.C. B.S. Spring Hill Religion, American History, Miss. History, Civics

Brother Hilbert Mooney, S.C. Ph.B. Loyola Art

Rev. Leonard J. Olivier, S.V.D. M.A. Catholic University Religion, Latin

Bottom left: Mr. Anthony Pitalo B.A. Tulane Religion, Driver Ed.

Bottom right: Brother Roy Reinecke, S.C. Maintenance Dept.

Brother Noel Named Teacher of the Year

The students and faculty of St. Stanislaus were honored to have with them, Brother Noel, S.C., who was named as Teacher of the Year, by Mac Hadden, the Student of the Year, from St. Stanislaus.

Brother Noel is the son of Mr. and Mrs. Henry Lemmon of Baton Rouge, Louisiana.

Brother Noel has been a Brother of the Sacred Heart for twenty-five years, and is currently in his sixteenth year at St. Stanislaus.

Brother Noel received his B.S. at Spring Hill in Mobile, Alabama, and is a member of the Math Department here at St. Stanislaus, and teaches Math, Religion, and is the Director of the St. Stanislaus Summer Camp Program.

Top right: Brother Noel, S.C. B.S. Spring Hill Religion, Math.

Bottom right: Mr. H. Davis Williams B of M Northeast La., Univ. M of M, Northeast, La. Univ.

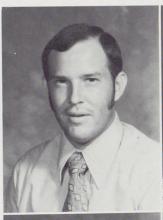

Mr. Bill Poole B.S. Govt/Comm, World Geography, World History

Middle: Taking it easy from a hard day's work are from left to right, Mrs. Mary Saucier, Mrs. Evelyn Gyins, and Mrs. Ordean Powell.

Bottom: Washing up after a Sideline Club meeting is Mrs. Mary Johnson.

ACTIVITIES

Marching Band Entertains Fans

Under the direction of Mr. Davis Williams, the 1972-73 band of St. Stanislaus consisted of thirty-six participants. This was the largest number of members in the Stanislaus band in recent years.

Throughout the football season the band provided half time entertainment for the numerous Rock-a-chaw fans. The most outstanding performance of the football season was the half-time of the Stone football game where the band played popular songs and performed complex band maneuvers. The Pep band helped to carry the school spirit at the student pep rallies. The band also marched in various parades including the Veteran's Day Parade and the Annual Nereid's Mardi Gras Parade.

The concert band which consisted of some of the same members in the marching band gave a concert for Christmas to the student body. It also acted as the orchestra for the school play, "Oklahoma."

Right: David Labat watches intently for signals during a concert.

Below: Buddy Zimmerman leads the band during the Veterans' Day Parade.

Top: The band presents their Christmas concert to the students in the gym.

Right: David Johns plays the tuba during one of the football games.

 $\ensuremath{\textit{Above:}}$ Ann Marie Rosato performs with the orchestra during the Christmas concert.

Band Competes in Festivals

The Stanislaus band participated in the Gulf Coast Solo and Ensemble, and the Mississippi State Solo and Ensemble.

In the Gulf Coast Band Clinic, seven members received superior rating for solos. These included David Labat. Tom Lupo, Steve Scott, Royal Kraft, Ed Picard, Buddy Zimmerman, and John Brown.

At the State Band Festival in Jackson, the band received a "two" rating for marching; a "two" for concert; a "three" for sight reading and a "one" rating for inspection. Also receiving a "one" rating for drum major was Buddy Zimmerman (one, two, and three signify superior, excellent, and good respectively). The band's officers for the 1972-73 season were David Johns, Bobby Wittmann, Tom Lupo, Buddy Zimmerman, and Ed Picard. The president, David Johns was selected to the McDonald's All-American High School Band. David was among 101 top musicians from each state and the District of Columbia. He played in the Macy's Thanksgiving Day Parade and the Tournament of Roses Parade as a member of the McDonald's All-American High School Band.

Right: David Johns presents Mr. Williams with a Christmas present.

Below: The band performs on their way to an excellent rating in the state band clinic.

Top: David Johns standing with Betty White (second from left), McDonald's band director, Paul Lavalle, and Tournament of Roses Queen, Salli Naren.

Right: Dawn Harvey marches during a half-time show.

 $\ensuremath{\textit{Above:}}$ David Labat plays as part of the pep band during the football season.

Long Road of Life Serves as Prom Theme

"It's a long, long road." The 1972-73 Senior Prom revolved around this theme. After years of different school experiences the end of another stage of learning was in sight. As the senior class looked back on its high school years one could see the road was long though filled with unique experiences which could never be duplicated.

The music of *Pace Sound Co.* filled the new West-side Community Center in Gulfport, Mississippi on April 28th as the long-awaited senior festivities began. The Student Council undertook the organization of the Prom. Volunteer members made sandwiches and served refreshments during the dance.

The Senior Prom marked the beginning of a brief series of celebrations commemorating the end of one phase of learning. As these celebrations ended the SSC seniors gazed seriously into the future welcoming in a new series of experiences.

Top: Students boogie at the Prom.

Right: Mike Drufner helps his date with a Prom souvenir.

Top left: Tony Eymard and his date dance to the sound of Pace Sound Co.

Top right: Mr. and Mrs. Thriffiley get into the act.

Above: Pace Sound Co. performs music for the dancers.

National Honor Society Sponsors Many Activities

The 1972-73 Peter Basso chapter of the National Honor Society at St. Stanislaus performed many activities. Among these are: a tour of the New Orleans' harbor, selling drinks at the school play "Oklahoma," serving at the Hall of Fame banquet, ushering at the senior graduation and hosting the annual Honors and Leadership banquet.

The Honor Society had fifteen new members this year. There were two seniors, three juniors and ten sophomores. Thirteen of these new members were inducted at the Honors and Leadership Banquet.

Officers for the 1972-73 session were Mac Hadden, president, Jim Piland, vice-president, Alvin Aramburo, secretary, and Bill Ladner, treasurer.

Right: Guest speaker at the National Honor Society's Annual Honors and Leadership Banquet was Mr. Jackson Balsh.

Below: Members of the Honor Society enjoy sights of the Mississippi River on their tour of the New Orleans' harbor.

Left: New members of the Honor Society being inducted at the annual Honors and Leadership Banquet.

Top left: Members of the Honor Society at the State Convention at Starkville, Mississippi, listen to Bro. Michael, their moderator.

Above: Mr. Glen Smith answers questions about the New Orleans' harbor.

Sidelines Club Aids Athletics

Composed of interested alumni and friends of the school, the St. Stanislaus Sidelines Club is an organization which offers financial and moral support to the athletic program at SSC.

The 1973-74 officers who were elected recently are: President, E. V. "Gus" Aime, First Vice President, Donald Strong, Second Vice President, Randy Adam, Secretary-Treasurer, Brother Philip.

This year the Sidelines Club sponsored the Turkey Shoot, the Fair and the Miss Popularity Contest. The Sidelines Club also aided the football team by taking movies of the games, which helped the team make corrections in their strategy.

As their long-range project this year, the St. Stanislaus Sidelines Club plans to cover the seats of the Rock-a-chaw Stadium with plastic.

The athletic department, faculty, and the student body appreciate the kindness and generosity of the club.

Right: Members of the Sidelines Club act as linesmen for the Rocka-chaw football games.

Below: Officers for the '73-'74 session are from left to right, E. V. "Gus" Aime, Donald Strong and Randy Adam.

Left: Faircomers having fun at one of the many booths at the Fair.

Bottom: Sidelines Club members preparing oysters for the Fair.

Below: Members of the Sidelines Club prepare hamburgers for the many faircomers.

Right: Jimmy Jacobs referees an intramural football game.

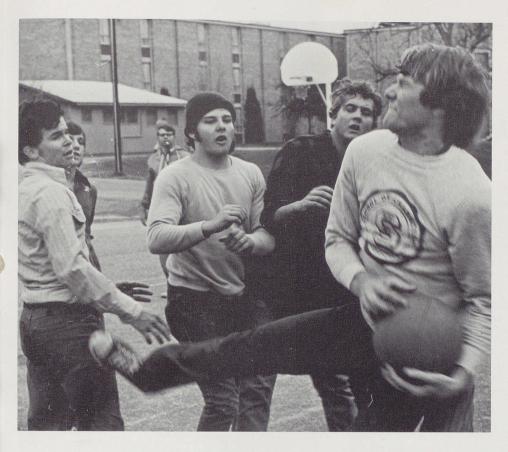

Bottom: Wendell Casey snares a pass as Darryl Tassin attempts to deflect it.

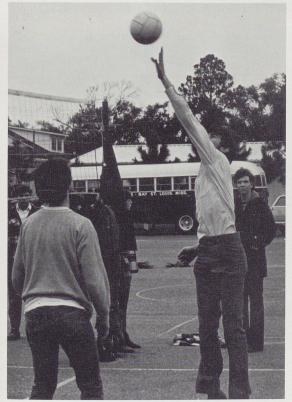

Below: Andy O'Brien attempts to get the ball past Greg Forstall.

Intramurals Provide Student Competition

Each year the Student Council sponsors a highly-spirited series of intramural sports activities. The league is composed of two divisions, Junior and Senior. At season's end, each individual on the winning team is awarded a trophy.

In recent years, intramural sports have offered the students, not involved in varsity sports, an organized outlet for competition. Brother Joseph and Brother Malcolm organized and conducted the various activities this year. Jimmy Jacobs acted as student coordinator. Also helping this year, as referees, were Bill Cloud, Herman Johnson, A. J. Vesich, Alvin Ladner and Chuck Wood.

As in the past, intramurals was a big success. Many students participated in the activities which proved to be very competitive as well as fun.

Top: Richard Pregeant being heavily pressured in one of the intramural basketball games.

Left: Jimmy Jacobs setting up the ball for one of his teammates in a volleyball match.

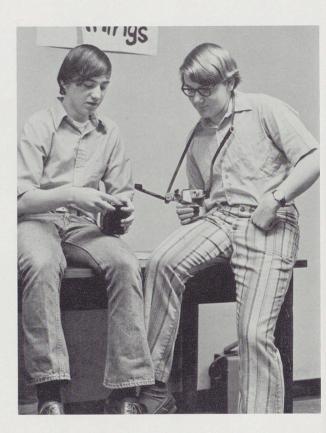

Reflections Staff Sets High Goal

One of the largest *Reflections* staffs started early this year with a yearbook clinic conducted by Brother Roy Wittendorfer, moderator. Murray Jolivette, editorin-chief, and Brother Roy spent many afternoons explaining the mosaic layout design to the staff.

Many members spent large parts of their afternoons working to meet deadlines and making sure the 1973 Reflections would remain on schedule. Trying to follow chronological order of school year events and portraying the most significant ones proved to be a task for the 1973 staff.

Many pictures taken by Brother Roy, Royal Kraft, and the photography staff and developed by the darkroom staff headed by Karl Hudson gave the yearbook members many options in putting together the annual.

Our 1972 Reflections was rated an "A" by the National School Yearbook Association. The 1973 staff hopes and is working to make the highest rating possible an "A" plus.

Top opposite page: Head photographer, Royal Kraft, loads a canister with film for assistant, Austin Franklin.

Bottom opposite page: staff members sitting are: Editor Murray Jolivette, Bayne Dickinson, Larry Riley, John Leja, and Alvin Aramburo; standing, Francis Polinque. Steve Aguzin, Bob Warner, Jim Schott, Boyd Hammond, Steve Scott, Reggie Eymard, Mike Lassare, and Bill Cloud.

Top left: Students page through their newly acquired yearbooks.

Above: Brother Roy helps Bayne Dickinson and Alvin Aramburo with layouts.

Left: Karl Hudson and Reggie Eymard develop film in the darkroom.

Student Council Gives Leadership

At St. Stanislaus the most active and representative group is the Student Council. The S.S.C. Student Council is composed of five officers and representatives from every high school class and organization.

One of the most important aspects of the S.S.C. Student Council is that it keeps open and maintains communication between the faculty and the whole student body.

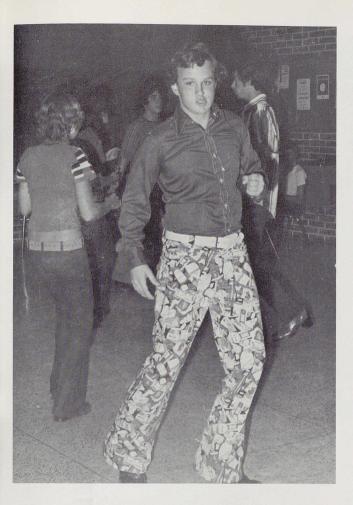

This year the S.S.C. Student Council sponsored various activities. Among these were dances, movies, civic drives, L.W.A.S., Lost and Found, Student Council store, Homecoming, intramural games, and the Prom.

Officers for the 1972-73 school term were as follows: President, Brad Williams; First Vice President, Ralph Ramirez; Second Vice President, Steve Calabria; Secretary, Royal Kraft; Treasurer, David Depreo.

Above: Student Council officers: (from left to right) Royal Kraft, Ralph Ramirez, Brad Williams, Steve Calabria, and David Depreo.

Right: Loraine Ladner smashes Bert Polaski with a pie during one of the football pep rallies.

 $\ensuremath{\textit{Top left:}}$ Patrick Shannon dances at one of the many dances the Student Council sponsored.

Above: 9B won the best float award at the homecoming parade.

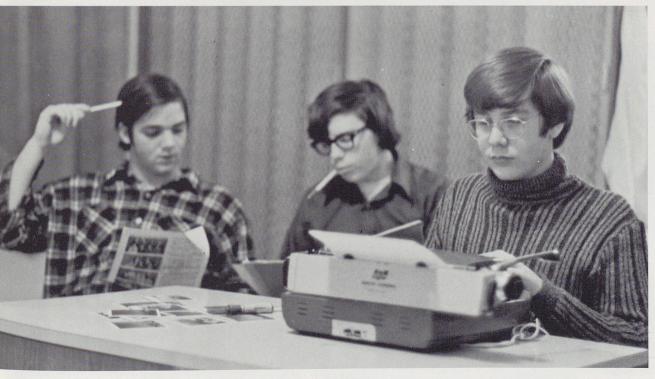

L.W.A.S. Records Student News

L.W.A.S. was an organization set up by the Student Council to cover the main events that happened in the past week at St..Stanislaus. The members included Jim Amenta, Chris Yochim, John Strauss, Robert Wittmann, and Calvin Maxie. These members worked hard during the whole year to put up many interesting articles and photographs about every day life at St. Stanislaus. Most of the pictures were taken, developed, and printed by members of the Yearbook Staff. The L.W.A.S. bulletin board was changed often and photographs and articles were attractively arranged for easy reading. This bulletin board takes the place of a newspaper at St. Stanislaus.

Right: Jim Amenta, Robert Wittmann, and Calvin Maxie prepare a new L.W.A.S. bulletin board.

Bottom: Chris Yochim types out an article as Jim Amenta and John Strauss decide on another article.

Melanie Reigns Over Homecoming

The football team gathered early in the season to select the Homecoming Court. The players chose Melanie Wingo to reign as Queen over the Homecoming festivities. Melanie, daughter of Mr. and Mrs. M. L. Wingo, is a junior at Coast Episcopal High School in Pass Christian.

The football team's selection of the Homecoming Court included four Maids: Carleen Murphy, Reba Harris, Lisa Worrel, all from Our Lady's Academy, and Sherry Stephenson from Fernwood Junior High in Biloxi.

The excitement of the Rock-a-chaw's "come-from-behind" tie in the homecoming game against Pass Christian High School set the stage for the Homecoming Dance held the following night. Suna, a New Orleans band, provided music for the evening.

Whether your preference was football or good music, Homecoming Weekend '72 at Stanislaus offered plenty of both.

Right: Melanie Wingo, Homecoming Queen '72.

Below: Homecoming Court and their escorts, (from left to right) Randy Bergeron, Sherry Stephenson, Brad Williams, Reba Harris, Philip Barbara, Queen Melanie Wingo, David Kenny, Carleen Murphy, Ricky Hymel, and Lisa Worrel.

Clockwise from top right: Homecoming maids Reba Harris, Lisa Worrel, Carleen Murphy, and Sherry Stephenson.

SSC Drama Group Presents 'Oklahoma'

On February 23-24, 1973 audiences totaling over a thousand attended three performances at the Sy Rosenthal Memorial Gym at St. Augustine's Seminary to view the lively production of "Oklahoma" presented by the St. Stanislaus Drama Group. The cast received a standing ovation on both evening performances.

Mrs. Beverly Zimmerman produced the play and Burt Barrett directed. The musical director was Davis Williams and technical director, Brother Joseph Donovan. Also this year Mrs. Phyllis Gillis served as choreographer and Mrs.

Mary Howard as pianist.

The story shows the courtship of Laurey Williams (Tish Haas) by Curly (Buddy Zimmerman) and Jud (Kim Rohr). It also includes the marriage of Gertie (Susan Benvenutti) to Ali Hakim (Cody Lowe) and of Ado Annie (Carleen Murphy)

to Will Parker (Stephen Scott).

The Chorus and talented cast included: Mike Drufner, Tommy Yongue, Steve Calabria, Giselle Curry, Kelli LeBlanc, Cecilia Battalora, Tricia Dickinson, Mignon Forstall, Helen MacDowell, Larry Riley, Jim Amenta, Bill Staehle, Debbie Ginn, Lori Sallinger, Murray Jolivette, Anthony Aramburo, Guy Billups, Alton Daniels, Margaret Hayden, Brad Williams, Michelle Oustalet, Susie Tabor, Lorraine Ladner.

Right: Laurey Williams (Tish Haas) and Curly (Buddy Zimmerman) sing "Oklahoma" at their wedding ceremony.

Below: Curly (Buddy Zimmerman) tries to tease Jud (Kim Rohr) into hanging himself.

Top left: Will Parker (Steve Scott) sings to his fiance Ado Annie (Carleen Murphy).

Top right: Curley (Buddy Zimmerman) courts Laurey Williams (Tish Hass) while Aunt Elder (Nancy Hathaway) looks on.

Above: The entire cast and chorus sings "Oklahoma" at the wedding of Curly (Buddy Zimmerman) and Laurey Williams (Tish Hass).

Muscle Men Develop Physiques

Now in its fourth year of existence, the St. Stanislaus Weightlifting Club is designed for building strength as well as character: "Sound mind in a sound body." Under the moderation of Brother Bennet and student instructors: Randy Bergeron and Mike Cantwell, the Club now involves over a hundred students.

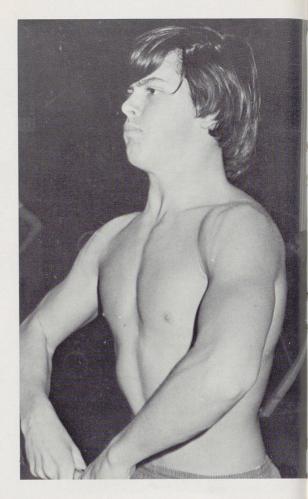

Fifteen different exercise units and over 4,000 lbs. of weights comprise the weight room equipment. The room also includes a sauna and whirlpool bath, complete bathroom, massage room, heat lamp and sun lamp treatments, wall-to-wall carpet and air-conditioning.

During the past year the varsity and junior varsity football players were added to the weightlifting program. The team uses the facilities as a group between the football season and spring training.

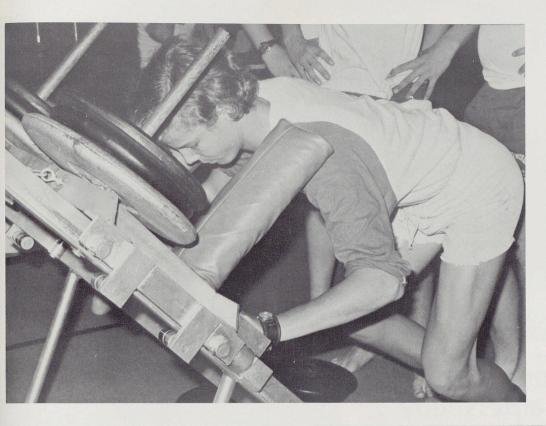

On March 17th the Weightlifting Club sponsored the S.A.A.U. Mississippi Open Powerlift Meet which attracted amateur lifters from all over the South. The Club also held the annual Sports-O-Rama which included boxing and wrestling.

Right: Randy Hymel does an upright row.

Below: Weightlifters strain their muscles during practice.

Top: Benny French prepares to do a squat thrust.

Left: Leon Galatoire practices thigh exercises.

 $\ensuremath{\textit{Above:}}$ Johnny Ludlow does squats while David Depreo spots for him.

Confraternity Helps Needy

This year the Confraternity of the Sacred Heart was under the supervision of Brother Pierre. The purpose of the Confraternity is to encourage devotion to the Sacred Heart, to develop Christian responsibilities, and to help poor and needy people.

Some of the various Confraternity projects this year include the distribution of Thanksgiving baskets to the poor, the serving of dinner to senior citizens during Christmas, and yard work at the homes of elderly Bay St. Louis residents.

Top: Brother Pierre starts lawnmower to be used in the yard work for a needy person.

Right: Brother Pierre directs students on the yard work crews.

Students Pool Vocal Talents

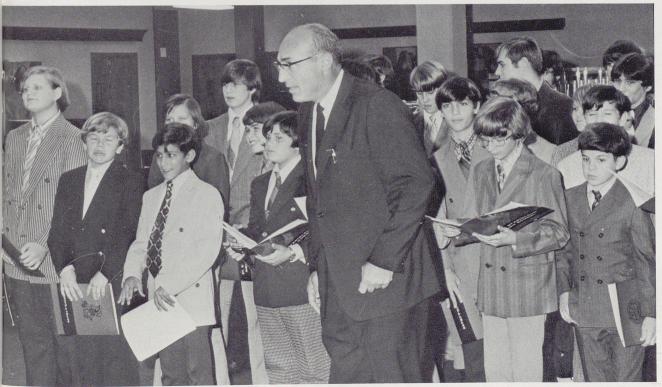

Providing students with a creative outlet for their vocal talents, the Choral Group performed at several functions. Under the leadership of Brother Pierre the Group sang hits from famous Broadway musicals.

The highpoint of the year was the Christmas Concert presentation. Brother Pierre and the singers also entertained the student body at the annual Christmas assembly sponsored by the seniors.

This year, unlike last year, the Choral Group progressed to two and three part harmony. In the future Brother Pierre hopes to have a uniform dress for the singing group, as well as more public appearances.

Left: Kip Hunter sings enthusiastically with the Choral Group.

Below: Brother Pierre directs the Choral Group during the Christmas concert.

Forensic Club Returns to SSC

Back on campus this year, after several years of absence, was the Forensic Club moderated by Miss Susan Ryan. This organization aided participating students in developing speaking and dramatic and poetic interpretation.

Elected Student Council representative, John Lassere, along with Murray Jolivette, Ronald Reightler, David Treutel and Mike Hosking constituted the team which "pioneered" efforts to return to our student body an appreciation for the various phases of the forensics.

Trips to both The McGill Forensic Tournament in Mobile and The Brother Martin High School Forensic Tournament in New Orleans aided this newly organized group to gain a better understanding of the insight into the mechanics and expertise involved in tournament competition.

Top: Murray Jolivette prepares to go to Mobile for a debate tournament.

Above: Miss Ryan gives advice to David Treutel at a meeting of the debate team members.

Activities Mark Spanish NHS

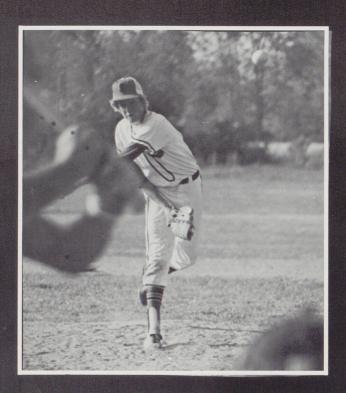

Over the past academic year the Spanish National Honor Society has become increasingly involved in school activities. With Mrs. Currie as faculty moderator, the membership has grown from the original eight members to twenty-three members, including the fifteen new members inducted this year.

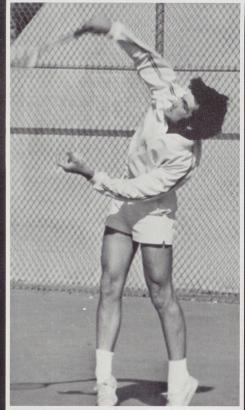

The officers for the 1972-73 session were Bart Johnson, President; Chris Yochim, Vice-President; Mac Hadden, Secretary.

Activities of the year included a field trip to Diamondhead to attend a Latin American trade seminar, and the hosting of exchange students from South America. The formal induction of the new members was held on March 1 and was attended by the new and old members and their parents.

Above: Jim McGowan shows the exchange students from South America around campus.

Above left: Bill Logan (86), John Ludlow (20), Johnny Knight (24), and Mike Siebert (72) charge an Ocean Springs player.

 $\ensuremath{\textit{Right:}}$ Rick Kergosien, named to the All-Conference team, carries for a first down.

'72 Football Season Shows Promise

In 1972 the St. Stanislaus Rock-a-Chaws had a 4-5-1 record. Mr. Barry Jones began his first year as head coach at St. Stanislaus after being the backfield coach under Mr. Pitalo for several years. Coaching for his first year as head coach, he developed some outstanding talent. Offensively, Rick Kergosien, a tailback, rushed for a total of 1,418 yards and 15 touchdowns. Kim Rohr and Gary Dubroc, two linemen, tied for the most valuable defensive player award. Rick Kergosien and Gary Dubroc were named to the all-Gulf Coast Conference team. Among the honorable mentions for this team were Roland Hymel, Kim Rohr, Earl Depreo, Alvin Aramburo, Lance Oustalet, Mac Hadden, and Philip Barbara.

Other coaches for the team were Mr. Bill Poole and Mr. Bob Cuccaro, line coaches; and Mr. Sylvan Ladner and Mr. Ronald Engel, backfield coaches.

Left: Bill Logan takes a breather during a hard-fought contest.

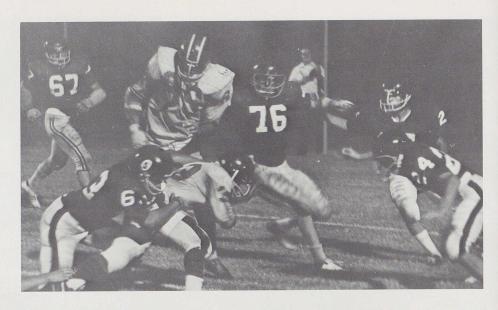

Below: Lance Oustalet hands off to Rick Kergosien.

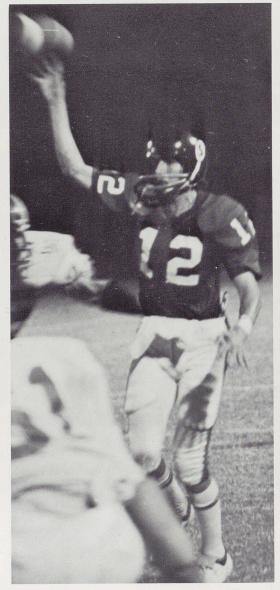

Top: Earl Depreo (63), Johnny Knight (24), and Kim Rohr (76) stop a drive in the Ocean Springs game.

Bottom left: Gary Dubroc (75), named to the all-conference defensive team, fights his way through the Long Beach offensive line.

Bottom right: Lance Oustalet, Gulf Coast Conference honorable mention, goes to the air against Ocean Springs.

SCOREBOX

Opponents		SSC
14	HNC	6
18	Kehoe Academy	44
26	Harrison Central	0
6	Coast Episcopal	78
16	Ocean Springs	6
13	Pass Christian	13
14	Bay High	0
16	Notre Dame	40
6	Long Beach	20
28	Stone	6

Defense Stingy With Opposition

Football fans agreed that 1972 was a banner year, despite a losing season. All the games were hardfought. As far as the scoring went, the high totals came in games with Coast Episcopal, 78-6, and Kehoe Academy, 44-18. Perhaps the best all around performance was given by the Rocks against Notre Dame, 40-16. In the game against Long Beach, the defense was outstanding, upsetting them 20-6. The defense scored all the points in that contest with two blocked punts and a fumble recovery. Almost everyone must agree that the Homecoming game against Pass Christian was the most exciting, when, with a first down and goal to go, the clock ran out. The defense was exceptionally strong all year long. It made a great showing against Ocean Springs at their homecoming, and held Bay High scoreless until the last two minutes of the game.

1st row (I to r): M. Hadden, E. Depreo, G. Dubroc, A. Aramburo, P. Bouchon, B. French, S. Calabria, D. Kenny, D. Depreo, D. Handshoe, B. Coleman, B. Milner, B. Blouin. 2nd row: M. Elchos, G. Balch, J. Knight, D. McDowell, M.

Davenport, A. J. Cuevas, G. Billups, A. Scafidi, D. Treutel. 4th row: R. Hymel, R. Hymel, J. Wolfe, D. Ray, A. Tom, T. Longo, S. Gardner, L. Galatoire, J. Quartano, M. Price, D. Koffer, E. Godfrey. 5th row: G. Krost, D. Hoda, D. Cox, R. Garret, M. Wingo, D. Levert, C. Rick, J. Ludlow, L. Oustalet, R. Rafferty, D. Billeaudeau, R. Sisson. Top row: D. Rafferty, Mr. Cuccaro, Mr. Poole, Mr. Ladner, Mr. Engel, and Mr. Jones, head coach.

Varsity Uses J.V. Talent

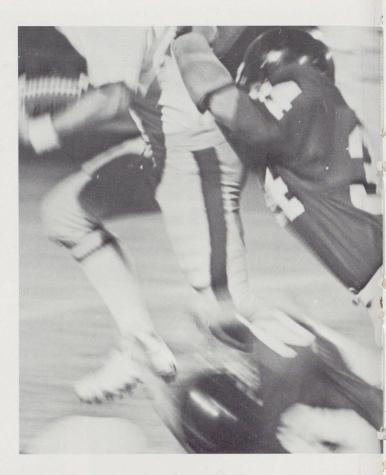

Our J.V. Rocks opened their 72-73 football season on August 10th. This year's team was organized in a very different way. They practiced, dressed, and played with the varsity team. Some of the freshmen and sophomores played first string on the varsity team.

Under Coaches Sylvan Ladner and Ron Engel, the J.V. had a 1-3-1 season with a lone win over Long Beach, losses to St. Martin's (twice) and Hancock, and a tie with Harrison. Two more wins could be added, however, for the J.V. played a major part in varsity wins over Kehoe and Coast Episcopal.

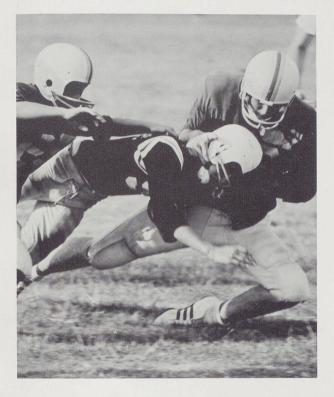

Some of the most valuable players on the team were: defensively, Mike Seibert, David Handshoe, and Gary Corcocan; and offensively, Monti Elchos, Guy Billups, Art Scafidi, and Maury Wingo.

Right: Monti Elchos hangs to an Ocean Springs running back to stop a gain.

 $\ensuremath{\textit{Bottom:}}$ Art Scafidi hands off to Monti Elchos in the Long Beach game.

Tiny Rocks Have Even Season, 3-3

The Seventh and Eighth grade Tiny Rocks broke into an even season this year with a record of 3-3. Under the coaching of Mr. Buddy Pitalo and Brother Melvin, the Rocks defeated St. Clare's, Gulfview, and Annunciation.

Some of the outstanding players were: Kip Hunter, Cubby McCubbins, Tad Black, Royce Hathaway, and Scott Fetzer.

The most exciting game was against St. Clare's. With 8 seconds left to play, a punt was blocked and Tad Black carried the ball over to score. The Tiny Rocks won, 6-0.

Left: Tad Black lunges forward into tough opposition.

1st row (I to r): Sam Armato, George di Benedetto, Mac Bowes, Daniel Quintero, Drew Garret, Perry Elchos, Scott Fetzer. 2nd row: John Kersanac, Tad Black, Dale Scafidi, Forrest Stevens, Mark Garcia, Lenny Keel, Robert Taconi, Dwight Lynn. 3rd row:

Coach Pitalo, Ed Flynn, Royce Hathaway, Kip Hunter, Mike Shields, Bengy Mutter, Cubby McCubbins, Randy Keel, Brother

Rock Cagers Finish, 12-10

The St. Stanislaus Rock-a-Chaws, suffering from the loss of 5 seniors, finished the 72-73 season at 12-10. Coach Bob Cuccaro's charges opened with sparks of last year's championship record, jumping out to 7-0. From then, the team faltered as its inexperience and lack of height became obvious, losing 10 and winning only 5.

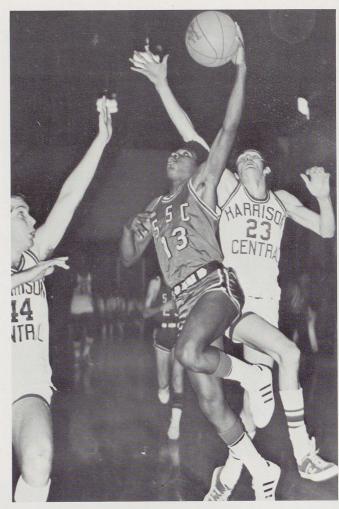

In the Bay High Tournament, the Rocks beat Bay High before losing to Hancock North Central, the eventual winner. In the Gulf Coast Conference Tournament, the defending champion Rocks defeated Stone only to lose to Harrison Central in the quarter-finals. One bright spot was the winning of the Bay St. Louis city championship for the fifth straight year by defeating Bay High twice.

Below left: Roland Hymel takes a short jumper against Harrison.

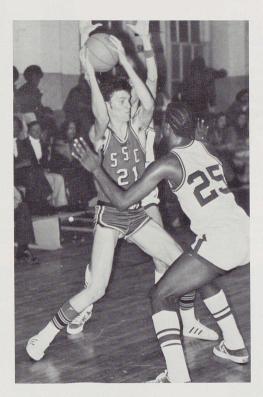

Below right: Chuck Genin slips inside the Harrison defense for a shot.

Far left: Roland Hymel and Gerard Lymuel battle for a rebound against Bay High.

Left: Darrile Marler fights to keep possession against Harrison.

Left to right: Philip Barbara, Gerard Lymuel, Bill Logan, Lance Oustalet, Bud Lang, Darrile Marler, Coach Bob Cuccaro, Ray-

mond Johnson, Will Marler, Robert Sisson, Danny Bourg, Roland Hymel, and Robert Smith.

Youthful Team Gains Experience

The 72-73 Rock-a-Chaw basketball team uncovered many stars. Gerard Lymuel was named Most Valuable Player and Best Defensive Player. He was also named to the all-Gulf Coast Conference team for the second straight year. Senior center Darrile Marler was the teams leading rebounder and had the best free-throw percentage. Senior guard Philip Barbara set two assist records: a game high of 16 and a single season mark of 186.

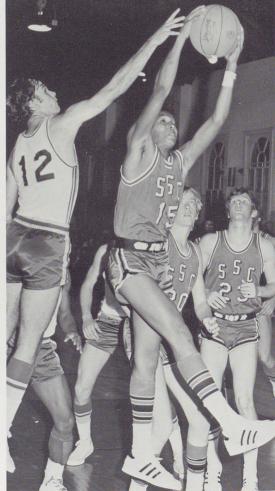

The finest group of sophomores produced in recent years helped the team along its rebuilding course. Robert Smith and Will Marler started regularly for the Rocks with Chuck Genin and Bud Lang waiting in the wings.

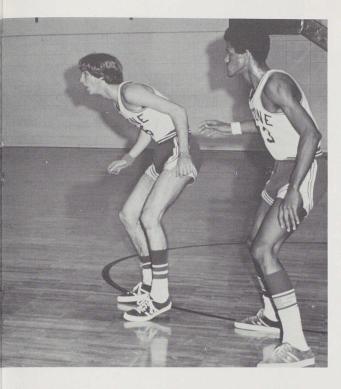

Below left: Robert Smith hauls down a rebound against Bay High.

Below right: Roland Hymel prepares to go up for a shot against Stone.

Left: Philip Barbara moves the ball in against Stone in the Gulf Coast Conference Tournament.

Below left: Raymond Johnson pulls down a rebound against St. John's.

Below right: Gerard Lymuel goes up for a layup against Harrison Central.

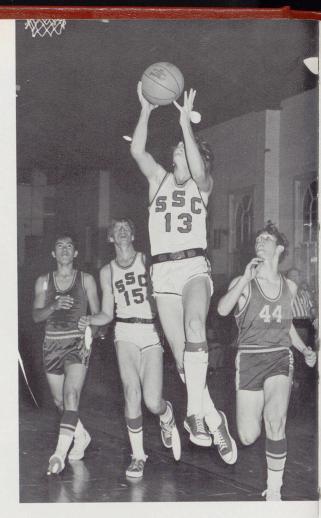

J.V. Quintet Finishes 8-9

Our J.V. basketball team ended their season this year with a record of 8-9. This team was led by the coaching of Mr. Sylvan Ladner and the outstanding play and leadership of the starting five: Mike Farve, Perry Moran, Chuck Genin, David Brown, and Mike Schuler. Other players were Bob Warner, Guy Billups, Jim Schott, Tim Hunter, Sam Hunter, Bob Wyatt, and Dan Ford.

The J.V. season was highlighted by wins over Coast Episcopal, Our Lady of Victories, Notre Dame, and Bay High for the Bay St. Louis city championship.

Right: Mike Farve goes up for a layup as Mike Schuler looks on.

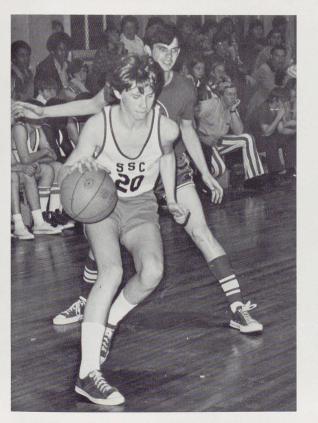

Kneeling (I to r): Dan Ford, Sam Hunter, Guy Billups, Tim Hunter, Jim Schott. Standing: Bob Wyatt, Bob Warner,

Chuck Genin. Coach Sylvan Ladner, David Brown, Perry Moran, Mike Schuler.

Kneeling (I to r): Steve Haas, Tom Longo, Mike Soto, Howard Weaver, Alan Lagarde, Ernie Steadman. Top row: Brother Anton,

Albert Labat, Ralph Trisoto, Kevin Carr, Mike Janaskas, Scott Vogt, Eddie Reed, Danny Lizana.

Freshman Basketball Displays Determination

Part of life involves having goals and striving for them despite obstacles. Becoming winners in the game of basketball was the aim of the freshman basketball team; defeat was their obstacle.

A record of 0-12 says little of the ninth graders' determination and struggle. The real story lies in the defensive leadership of Howard Weaver, the offensive captaining of Mike Soto, and the rebounding efforts of Scott Vogt and Tom Longo. Although losing twice to Stone Jr. High, (the first 64-6, the second 38-23) the scores showed the team's progress.

Increasing mastery of basic skills produced enough basketball growth to earn the athletic director's observation: "This is one of the best ball handling freshman teams that he has seen at St. Stanislaus." Such determination will be heard from in the future.

Eighth Grade Team Displays Spirit

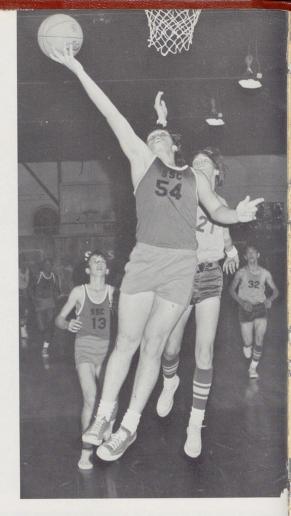

This year's eighth grade basketball team was made up of many determined and dedicated players. Though their record shows a losing season, 2-9, they gained valuable experience under the guidance and coaching of Brother Melvin.

Their lone regular season win this year was a remarkable comeback against a team that had severely beaten them earlier in the season. This team, Notre Dame, was defeated by a score of 40-35.

They also did well in the Hancock County Tournament by defeating St. Rose, though they lost their second game to Bay Jr. High.

Some of this year's outstanding players were: Philip Aldridge, Martin Hoda, and Charles Piazza.

Right: Charlie Piazza goes up for two as Donald Corr waits for the possible rebound.

Kneeling: Mark McCarthy, Mike Shields, Gary Braud, Donald Corr, Mark Garcia, Walt Marcello. Standing: Gene Hoda,

Philip Aldridge, Charlie Piazza, Brother Melvin, Martin Hoda, Ronald Johnson, Cubby McCubbins.

Kneeling: Matt Boucree, Andy O'Brien, Jimmy Parrot, Billy Babst. Standing: Gary DeMarsh, Paul Deshotels, John Sat-

terlee, Chris Johnson, James McMillan, Vincent Liberto, Tim Kersanac, Billy Camus.

6th Grade Captures Back Bay Tourney

Diligent practice together with an intense desire to succeed were the ingredients necessary for the sixth grade Rocks to capture the Back Bay Elementary Championship this year.

Billy Babst, with a 10 point average, backed up by the rebounding power of Vince Liberto, Paul Deshotels, and John Satterlee, coupled with the unique ball handling of Matt Boucree and Gary DeMarsh produced a team victorious in their matches against St. Rose, Annunciation, St. Paul, O.L.G., and St. Clare. The team finished with an impressive 11-1 record.

Left: Paul Deshotels watches at Matt Boucree shoots in a game against Annunciation.

Confidence, Desire Paces Track Team

Confidence in their abilities and a strong desire to win paced the '73 SSC track team to a successful season. Under Coach Barry Jones they placed a strong second in the conference meet with many improvements over last year's team.

Four school records were broken by this year's team. Dewey Hoda is the current record holder in the 100 (10.1 sec.) and 220 (23.2) dashes. Roland Hymel broke the 880 record in the South Mississippi meet with a time of 1 min., 59 seconds; and the mile relay team of Brad Williams, Matt Romito, Ricky Soldinie, and Roland Hymel shattered that old record in 3:35.9 by two seconds.

Senior Roland Hymel was awarded the Most Valuable Player Trophy for running events for the third consecutive year. Roland was undefeated in the 880 in District and Conference action and holds the school record in that event. He was a member of the record-breaking mile relay team and a consistent high jumper, winning Conference in that event also.

Right: Cort Phillips lets the discus sail in a meet with Bay High.

Below: John Ludlow clears the pole vault on his way to the MVP award in field events.

Kneeling (I to r): S. Calabria, M. Romito, M. Jones, C. Phillips, R. Soldinie, B. Williams, R. Hymel, J. Schott, G. Krost. Standing: P. Sullivan, T. Romito, C. Cason, J. Ludlow, L. Oustalet, D. Rafferty,

Below: Johnny Knight hands off to Craig Cason during the 440 relay.

1st row (I to r): R. Bass, D. Hayden, H. Picard, N. Elchos, B. Kergosien, P. Reho, G. Morrissey, A. Henrion. 2nd row: J. McGowan, C. Coxwell, P. Elchos, J. Kersenac, M. Hoda, E. Flynn, P. Brown, C. Mancuso, G. Aguilar, M. Henning, L. Eymard. 3rd row: D. Pel-

ligrin, J. Lopez, J. Lassere, M. Schuler, K. Simbeck, D. Treutel, M. Wingo, Coach Bro. Malcolm. *Not pictured:* R. Hathaway, K. Hunter, K. Howlett, D. Corr, C. Stewart, H. Logan, A. Hyatt.

Jr. High Rewrites Record Board

The junior high track team under Bro. Malcolm participated in five meets. Twelve of fourteen school records were broken. David Treutel, Maury Wingo, and Jeff Lopez all hold or share 4 records each. Outstanding events were the 100 yd. dash run by Martin Hoda in 10.9 sec., the 440 relay team of Lopez, Hoda, Wingo, and Treutel in 48.9 sec., and the mile relay team of John Lassere, Treutel, Mike Schuler, and Lopez clocked in 4:00.4. Jeff Lopez received the Most Valuable Player award and Martin Hoda accepted the award for the Most Outstanding Event.

The future looks promising as many seventh and eighth graders return to challenge the records set by the ninth graders.

Above left: Lee Eymard clears the hurdles neck and neck with his opponent.

Above: Martin Hoda outdistances Bay Jr. High in the 100 yd. dash.

Left: Jeff Lopez gains another easy triumph over his rivals in the 440 yd. dash.

Baseball Team Has Rebuilding Season

Brother Melvin Estrade was the new coach this year for the St. Stanislaus baseball team. Brother Melvin's team had one win over Notre Dame and two wins over Stone High.

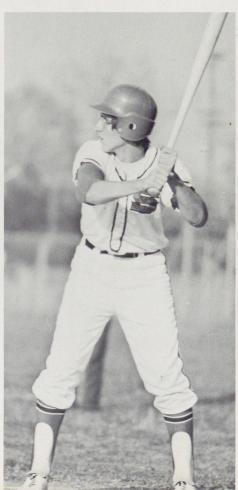

The closest game all season was the city championship. Bay High scored the winning run in the second extra inning. The game ended: 4 to 3.

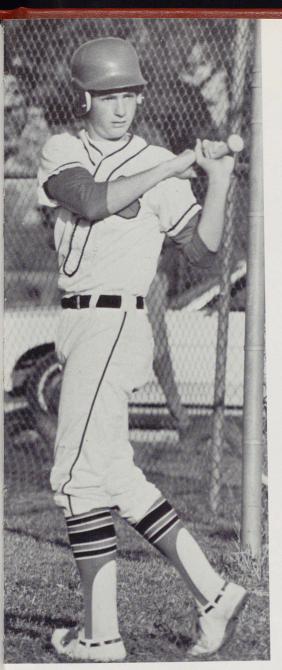

There were four graduating lettermen with ten returning lettermen from the '73 team.

Behind the scenes, doing most of the hardwork on the team were the managers, Doug MacDowell and Craig MacNicholl who kept the team equipped and organized. The records were kept straight by statistician, Rory Rafferty.

Top: Brother Melvin gives last minute pointers to David Kenny and Mike Favre (7).

Right: Most Valuable Player Lance Oustalet anticipates the next pitch.

Left: Mike Favre waits for his turn to bat in the Long Beach game.

Oustalet, Kenny Cop Baseball Awards

Players on the baseball team were eligible for two awards: the Most Valuable Player Trophy and the Highest Batting Average Award.

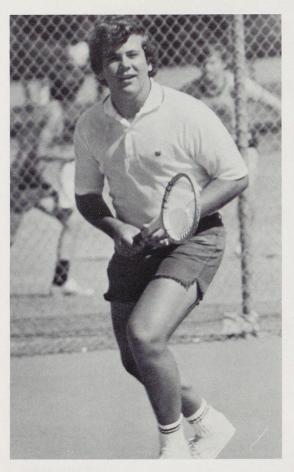

Senior Lance Oustalet received the Most Valuable Player Trophy. Lance played three positions during the season: pitcher, centerfield, and third base. He was also a five year letterman.

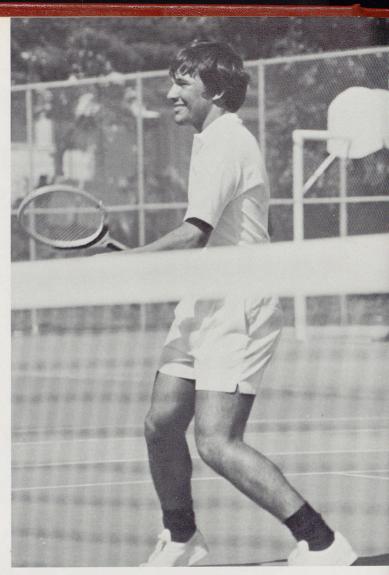

Senior David Kenny won the Highest Batting Average award with a batting average of .333. David played catcher this year and was a four year letterman.

Tennis Team Has 9-0 Regular Season

Under the coaching of Brother Paul with the help of Brother Pascal, the Stanislaus tennis team finished the season with an umblemished record of 9-0.

The team participated in two tournaments during the 1973 season. The first was the Coast Invitational Tournament sponsored by St. Stanislaus, Bay High and Coast Episcopal. Jim Piland and Jack Biven of St. Stanislaus won the doubles championship. They defeated the doubles teams of Pass Christian, Gulfport East and Bay High.

In the district VIII Tournament Jim Piland lost to Frank Heath of Biloxi in the semi-finals (1-6, 2-6). Heath later won the tournament.

The St. Stanislaus doubles team, made up of Eddie Melancon and Eddie Killeen, lost in the semifinals to Bruce Gray and David Lane of Pascagoula (6-3, 6-7, 6-7).

Left: Susie Tabor, the prettier half of the St. Stanislaus mixed doubles team, Brother Pascal, and Brother Paul watch Stanislaus defeat Bay High.

Shelley Balius Leads Golf Team

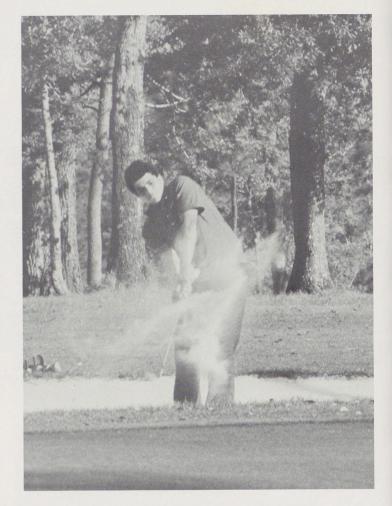

The golf team under Coach Ron Engel participated in four meets. They won only one, a triple meet with Gulfport and d'Iberville. Senior Shelley Balius was the medalist in this meet with a 75. Shelley played exceptionally well this year and qualified for a scholarship to Florida State University.

Diamondhead Country Club was the golf team's home course. Three of their four meets were played on the beautiful links.

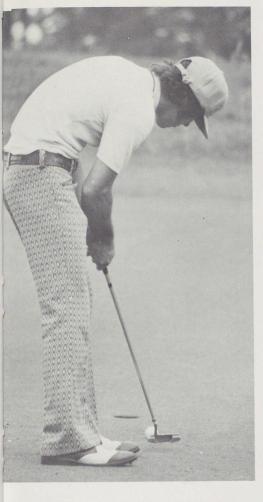

Other members of the golf team besides Balius were Glen Smith, John Leja, A. J. Vesich, and Jacque Bell. All but Shelley Balius are returning next year.

Right: Jacque Bell blasts out of a sand trap.

SENIORS

We've Only Just Begun

What a year it was! After it was all over one could look back to the first day he started school, and picture his dream come true of graduating from high school.

Looking back over the year, it started off with the senior ring ceremony and senior ring dance. With football season came the games and the Homecoming activities. Next, came the senior retreat, a time to stop awhile and get hold of what's happening. Traditionally, the seniors represented Stanislaus in the Veterans Day Parade. Before they knew it they were taking and a while after receiving our graduation pictures and announcements. In the spring, the Junior-Senior Prom was held.

As the year drew closer and closer to the end, time seemed to have flown by; just yesterday we were only beginning.

Middle right: Seniors hear the latest news about admission from LSUNO's admission counselor.

Top right: Lucky Demoran and Rory Rafferty show their expertise of dancing as Pace plays at the Prom.

Merited Winners of Various Scholarships

The 119th graduating class of S.S.C. has truly distinguished itself as being outstanding. Attesting to the foregoing statement are the fifteen scholarship winners who have merited such an honor.

Mac Hadden and Rick Kergosien have both earned four year National Merit Scholarships to the University of Mississippi. Lee Hayden has won a \$5,000 scholarship to Lovola University. Brad Williams has an academic scholarship of \$19,000 to Vasser College in New York. David Johns has merited a music scholarship to Louisiana Tech University. Michael Lassere has an academic award to Loyola University. Alvin Aramburo has been awarded an academic scholarship to Tulane University. David Kenny has a full four year scholarship from the state of Miss. to attend Southern Mississippi University. Jim Piland, David Johns, Bart Johnson, David Koger, Marion Wolfe, and Buddy Zimmerman all have scholarship offers to Pearl River Junior College. Derille Marler has won a basketball scholarship to Cullman College in Cullman, Alabama. John Brown has a music scholarship offer to Louisiana Tech and University of Miami. Murray Bert Keel has won an academic scholarship to Jefferson Davis Junior College.

Seniors Have Busy Year

Seniors were busy all year long with various school activities. The year started out on a spiritual note with the senior retreat. It was a time to reflect, to rest, and to play touch football. Seniors had their choice of playing varsity athletics or intramurals if they needed a little exercise. Then, of course, the student council dances provided a little night life, topped off by the Prom in the spring.

All year long representatives from various colleges presented them with possibilities for the difficult decision of which college to attend. There were the banquets, the society, spring athletic and alumni induction. When the seniors were not eating, chances are they were traveling to a convention or some other activity. Civic duty and charity work were not ignored by the senior class. From painting litter barrels to delivering Thanksgiving baskets the seniors were there. All in all, the year was filled, not with things that had to be done, but with things that were rewarding and enjoyable.

Pier Rebuilt by Senior Work Crew

Brother Joseph Donovan directed a senior volunteer work crew in many hard and tedious hours of work after school hours. Around the campus, the crew erected a new flagpole, poured cement curbing, and reworked the parking lot by putting in the lines and car stops. The senior group also erected school historical markers on Highway 90 and in front of the school. As a final senior project, Brother Joseph's crew undertook the reconstruction of our stormdemolished pier. This year's senior work crew is to be congratulated on this fine work and unselfish service rendered to the school.

Dear St. Stanislaus:

Silent footsteps cross my mind and leave imprints of eternal faith. I will not bother you with such outlandish remarks as to the extent I'll miss you. Slowly you crept into my mind as a friend of true, and don't tell anyone but I think you have a beautiful face. Rest assured, dear friend, the miles mean nothing, and I am indeed grateful for help rendered. Think of me for whom I am and what you wish I might be. Remember my poem.

My mind is a strange house,
Filled with thoughts,
Many which vanish,
Many are lost.
In the back of my mind you
may be
But golly gosh, I won't forget
you . . .
S.S.C.

SSC Graduates 119th Class

On Saturday, May 12, 1973, in Our Lady of the Gulf Church commencement exercises took place for the 119th graduating class of St. Stanislaus High School. Mac Hadden gave the Valedictory address, and Rick Kergosien delivered the Salutatory speech.

After the distribution of diplomas upon the seventy-six graduating students and the members of the Golden Jubilee Class of 1923, Brother Pierre presented these awards to the following graduates: William Zimmerman, the Chamber of Commerce Award; David Johns, the Bay St. Louis Jaycees Award, the American Legion Award, and the John Philip Sousa Band Award.

Other graduates who were presented awards were Gary Dubroc, the Character Cup for a resident student; Richard Pregeant, the Character Award for a resident student; Gary Dubroc, Excellence in Business Subjects; Rick Kergosien, Excellence in Humanities; Mac Hadden, Excellence in Mathematics and Science; James Piland, Excellence in Social Studies. The President's Trophy, the highest award given to a graduating senior was awarded to Salutatorian Rick Kergosien.

104 Eighth Graders Promoted in Ceremony

One hundred and four eighth graders were awarded certificates of promotion at the 119th Promotion Exercises. These were held in the Stanislaus Chapel on Thursday, May 24, at ten o'clock in the morning with Brothers Pierre, Lee, and other members of the administration present in the sanctuary.

Following the awarding of certificates, honors were presented to the outstanding members of the class. These consisted of the Character Cup for day student and boarder, awarded to Brian Kelly and Guillermo Aguilar Haro, respectively; Character and Conduct Medals for boarder, going to Carl Mancuso and Stephen Schexnayder, respectively; and the American Legion Award for day student, given to Chip Merlin.

UNDERCLASSMEN

The Juniors Face the Challenge of Tomorrow

The Junior Class of 72-73 is facing the challenge of tomorrow. One of the most difficult of these challenges was their awakening to the world of chemistry. In the Junior Class experimental research is stressed as definite proof of the chemical theorems.

The Class of '74 can and does accept the challenge; reaping the benefits of their struggle, shown by their determination not only in academics, but in athletics also. The challenge opens a new door in which this class looks forward to next year and enjoys the fruits of this year such as the Junior-Senior Prom.

The Junior Class Shows Its Expertise

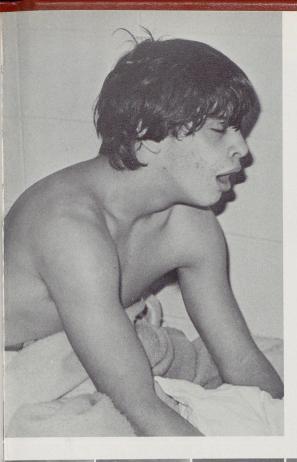

This year's Junior Class has shown their expertise by having won many various awards. In intramurals 11A distinguished themselves by winning both the basketball and volleyball senior division championships. In the field of track, the Junior Class participant on the track team broke two school records. Also at the Homecoming Pep Rally, 11B won the 'Beauty Contest.'

In the academic events of the Junior Class was proud to have a Junior as District Representative of the state National Honor Society; with nine Juniors as active members in Bro. Peter Baso Chapter at S.S.C. A Junior Editor in Chief of the Yearbook and two Student Council officers were other positions held by distinguished Juniors.

By this expertise the Junior Class has proven that it will be good leaders as next year's seniors.

Tenth Grade 'Lends a Hand'

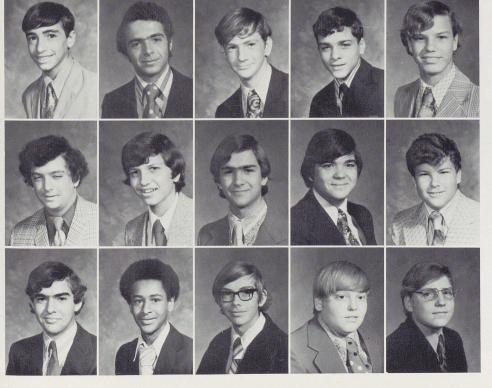

The sophomores of St. Stanislaus took part in a majority of the school's extracurricular activities during the 1972-73 school year. All three sophomore classes met their quotas in the Annual Mission Drive.

Two of the three sophomore classes, 10-A and 10-C, had finalists in the Miss Popularity Contest sponsored by the Sidelines Club. 10-A supported Susan Benvenutti and 10-C supported Lisa Worrel. Both girls were students from O.L.A.

Sophomores Show Spirit

The sophomores captured three first place trophies in the Jr. Division Intramurals. 10-B won the football intramurals and 10-A won volleyball and basketball intramurals.

The 10th grade showed their school spirit throughout the football season. They constructed floats for the annual homecoming parade and made spirit signs for every foot-

ball game.

The officers for the tenth grade were: 10-A; Bob Warner, president; Bayne Dickinson, vice-president; Jeff Dickson, secretary; and Tom Piland, treasurer. 10-B; Reggie Eymard, president; Bud Lang, vice-president; Eddie Lizana, secretary; and Ricky Yongue, treasurer. 10-C; Glen Smith, president; Gary Corcoran, vice-president; Aaron Richie, secretary; and Guy Billups, treasurer.

Freshmen Charged With Generosity

This year's freshman class is the largest freshman class ever with 115 students. This large class is charged with school spirit. They held many car washes and doughnut and coke sales. As a result 9-A was the first to turn in its quota in the Lenten Giving Fund. Also due to this spirit the freshman classes sponsored three of the five semifinalists in the Miss Popularity Contest.

Frosh Pass Time in Many Ways

Freshmen have many ways to just pass the time. They may be found in their rec hall playing foosh ball, ping pong, or pool. Others can be found fishing or flying kites on the pier, walking on the beach or roaming around campus. Still others can be found taking advantage of the Klienpeter-Gibbens Library to study, read, or play chess.

In the midst of these varied activities the freshmen are busy creating their own futures.

Concern Shown by 8th Graders

During the 72-73 school year, the eighth graders not only led the grammar school, but the high school as well in many varied activities.

The 8-A homeroom, taught by Brother Eduardo, led the entire school in this year's Lenten Mission Drive by collecting an average of more than nine dollars per person.

When in early April, the school lost the walking planks of the pier one Saturday evening because of a fierce storm, eighth graders were ready bright and early Sunday morning to help recover the planks and rebuild the pier.

Right: Several eighth graders are pictured with Brother Neri picking up planks blown off the pier.

Sports Engage 8th Graders

Activities during and after school differ greatly. Many of the eighth graders are involved in either football or basketball. There is even a dorm basketball team for

eighth grade borders.

This year's 8th grade football team experienced a tied season. Coached by Brother Melvin and Mr. Pitalo, the eighth graders worked hard everyday after school.

The Basketball team has a losing season, but worked hard and did win two of its games.

The dorm Basketball team started out slow, but ended up with a winning season. Brother Neri coaches the boarders.

Freedom, Generosity Mark 7th Graders

Stanislaus 7th graders are a combination of freedom and foolishness wrapped up in an evergrowing package of energy. Whether the occasion be the serious mood of a classroom, or the excitement of a raindrenched campout, the 7th graders always find a way to make each day different.

Accompanying the carefree attitude of this group is a very generous nature which is easily seen in various school activities. One is always aware of tremendous energy at work whether the 7th graders are collecting money for the mission drive, serving Mass for the Brothers, or just playing games in the backfield.

Growing up is encountering new things, and learning to accept and build on these things each day. As the months pass and the school year at Stanislaus fades, one can see each day has given birth to many new 7th grade experiences.

7th Graders Generate **Lively Competition**

Competition produces action. Following in the Stanislaus tradition, the 7th grade football and track teams competed successfully against neighboring schools. Both teams compiled winning records while gaining valuable experience for the future. The main attraction this year, however, centered around the rivalry between the three 7th grade classes.

Who's got the class with "class?"

Thirty of the eighty-seven 7th graders earned the honor roll during the first semester. Members from each of the three classes competed in intramural basketball, as well as field day. Each 7th grade homeroom also excelled in particular areas during the year. 7B collected the most money for the mission drive, while 7C sold the most raffle tickets, and 7A wrote, edited and published the grammar school newspaper, RAP. In the midst of all these activities perhaps only one thing was certain — wherever one looked, he would always see 7th graders in action!

Left: Is there any doubt who David Cashio would vote for if he could vote?

Smallest Group Found Everywhere

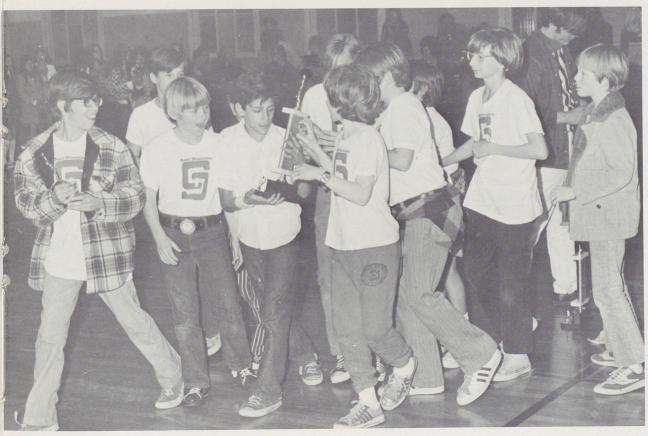

Wherever one wanders on the Stanislaus campus he inevitably runs into a 6th grader. As this group is the youngest and smallest in number at Stanislaus, one would expect to seldom see them. However, the 6th graders are extremely prominent as they involve themselves in all areas of activity in the school.

Brother Leon directs the boundless energy of the eighteen 6th graders in the classroom. Together with their normal studies, this year's group has conducted experiments in growing crystals, constructing parallel and singular circuits, and testing the power of a gyroscope.

The 6th graders incredible energy was well-known this year. In the years to come their contributions will continue to grow.

Left: Determined 6th graders give it all they have in the Homecoming Pep Rally tug-of-war.
